Prince Street Gallery 2023 Annual Juried Exhibition

August 1-19 Jurors: Flavia Bacarella, Larry Groff, Gina Werfel

Prince Street Gallery will be hosting its 15th Annual Juried Exhibition in August 2023. An opening reception will be held on Thursday, August 3rd from 5-8 pm. Three gallery artists, Flavia Bacarella, Larry Groff and Gina Werfel were chosen to jury the show. Each brought their own perspective to the task. They were delighted to view the work of so many talented artists from across the United States.

Works by 36 artists from over 300 applicants were chosen by the jurors. The exhibition includes a wide range of representation and abstraction and includes diversity of medium as well as style. In addition to works in drawing, painting and printmaking, the jurors chose works where the artist pushed boundaries within a particular medium or combination of media.
